## ICAEW CERTIFICATE IN FINANCE, ACCOUNTING AND BUSINESS (CFAB)

## Becoming an ICAEW Chartered Accountant

To have a successful career as a chartered accountant, you need the right mix of knowledge, skills and on-the-job experience.

- 1 | A professional development programme**  
This helps you develop skills such as communication, decision making, problem solving and team working.

- 2 | Ethics and professional scepticism training**  
This gives you the skills to identify ethical dilemmas, understand the implications and behave appropriately.

- 4 | 15 accountancy, finance and business modules**  
These cover a range of subjects, from management information to law and taxation.

- 3 | Three to five years' practical work experience**  
To be completed while in a training agreement with an ICAEW authorised training employer.

## A great career choice
